## 1 – Reading Log

Please read with your child 4 times during the week for at least 15 minutes. We are asking that 2 of the nights your child practice reading on a program called Raz-Kids. Raz-Kids is an online resource that allows emergent readers to practice “just right” books. Your child’s raz-kid info and directions can be found in the middle section of their take home folder. The other two nights are free choice picks. Your child can pick to read again on Raz-Kids or a fun book they have at home.

## 2 – Method of Reading

The books on Raz-kids are at a “just-right” reading level for your child. These books should be read independently by your child. Raz-Kids has an option for the book to be read aloud to your child before s/he reads it by themselves. Once your child can read the words independently, s/he can choose to read the story by themselves without help from the program. When reading free-pick books with your child, your child can choose to read or choose to have you read to them. Reading to your child is a great way to model fluency and expression.

### 3 – Sight Word Practice

After your child is finished reading, please practice sight words with your child for at least 5 minutes. Their sight words can be found in the middle section of their take home folder.

### 4 – Weekly Reading Log dates

We understand that the children often have after school events and activities. The 4 nights of the week can be any week day or during the weekend. Weekly reading logs will have the date range listed at the top and will be checked on Fridays. **When filling out the reading log, please make sure to only use one box for one night of reading.**

#### Incomplete Classwork / Classwork needing corrections

Any papers that are incomplete or needs corrections will be sent home in your child's take home folder to be completed as homework. These papers are due back by Friday. However, if your child needs additional time, please send me an email to let me know.

**Thank you for reading our homework policies.  
Please take a moment to fill out the attached paper and  
return to school.**
